ELECTRIC POWER and SOLID FUELS

8 January 1954

MEMORANDUM FOR: Members of the EIC Subcommittee on
Electric Power and Solid Fuels

SUBJECT : Organization Meeting

1. In November, the Economic Intelligence Committee approved the Terms of Reference for the Subcommittee on Electric Power and Solid Fuels, to which you have been designated as the representative of your agency. It is the "ex-officio" responsibility of the principal CIA representative on this Subcommittee to serve as its executive secretary and to call the first meeting (EIC-D-42 of 10 August 1953). You are therefore requested to attend an organization meeting on Monday, 18 January, at 1030, in Room 2125 Temporary "M" Building, 26th and Constitution Avenue, NW. A draft agenda and the approved Terms of Reference are attached.

2. The regular chairman of all subcommittees is designated by the EIC on the basis of proposals submitted by the EIC representatives of the several agencies. It is my thought that such nominations might well be postponed until the membership can become better acquainted with one another.
